HAND THIS VOUCHER TO YOUR VET TO ASK FOR NEEDLE-FREE INJECTIONS OF INSULIN

Injex reduces the trauma and aids comfort in the injection treatment of animals. Now, pets can be treated in a calm way without apprehension thanks to Injex needle-free injection.

I want to use Injex because

- | | | | |
|---|--------------------------|---|--------------------------|
| I have a needle phobia | <input type="checkbox"/> | I dislike needles | <input type="checkbox"/> |
| I feel at risk when my pet moves around when I have a needle in my hand | <input type="checkbox"/> | I don't want needles at home and the chance of needle prick | <input type="checkbox"/> |
| I don't want my pet to be in pain | <input type="checkbox"/> | Other reason | <input type="checkbox"/> |
